Mental health services for total health and wellness.

Dear [First Name],

Did you know Babylon also offers virtual therapy appointments?

With the Babylon app, you can talk to therapists who can help you manage anxiety, depression, stress, and many other issues. And, as always, these services come at no cost to you.

It can be hard to admit you're struggling, but we're here for you every step of the way.

Try it out and let us know what you think.

Best of health,

Dr. Darshak Sanghavi
Chief Medical Officer

Get started with Babylon today!

1

Download the app

Search **Babylon** in the App Store or on Google Play

Mental health services for total health and wellness.

Talk to a doctor or a therapist whenever you need

Doctors and therapists available through the Babylon app can give you medical advice, refer you to specialists, prescribe medication for pickup at your pharmacy, and so much more!

Feeling off? Check your symptoms instantly

Describe what's wrong to our AI-powered Symptom Checker and we'll point you towards potential causes and provide you options for best next steps to take towards a healthier you.

Understand your health with Healthcheck

Use Babylon's Healthcheck tool to get a full run-down on your overall current health state. It'll help you identify your risk factors and learn how to stay healthy long-term.

Download the app and get started in minutes.

Download the app

Search **Babylon** in the App Store or on Google Play, or scan the QR code to the left.

Register yourself

Enter your personal information.

Note: If you are a parent or guardian setting up an account for a child under 18, register first and add the child to your account. You do not have to be covered by [Health Plan] to register.

Add code [HP CODE]

When prompted for your health plan code enter: **[HP CODE]**

Your health plan code will give you access to Babylon video appointments at no cost to you.

Check your insurance

Enter the Member ID number: **### ####**

Translation services are available. Just tap **Request a Translator** when booking your appointment.
