To: HCSC employees with the HMO plan in New Mexico

### **Introducing Babylon**

We're excited to share great news for New Mexico HMO Plan participants, soon you and your dependents will enjoy a new value-added resource at no extra cost — health care from home with Babylon.

### **How can Babylon help you**

The Babylon app is telemedicine and more: unlimited access to doctor appointments and a range of digital health tools focused on nutrition, activity, mood and lifestyle features that will help you stay well, monitor your health and keep you on track — all available on demand and at your fingertips.

### **Why Babylon?**

We continue to look for ways to provide innovative health care solutions and improve care delivery for our employees and members. That's why we've partnered with Babylon, a revolutionary artificial intelligence-driven, digital health company. At its core, your new Babylon value-added resource can help you stay healthy and take care of yourself proactively.

### **Tell us what you think**

You're part of a select group of employees to try the Babylon app first and help us with this mission. We hope you'll participate by using the Babylon app and sharing your feedback. Soon you'll receive additional details on signing up and using the Babylon app. Thank you for helping HCSC with this new initiative and for taking the opportunity to use cutting edge technology to get the most from your own benefits as well.
